MEMORANDUM FOR: MR. DULLES

Frank Wisner talked to Nelson Rockefeller, Jr., about his CIA briefing. Mr. Rockefeller has been called back to his old job in HEW for about two weeks, during the absence of Mrs. Hobby. He said that he was deeply appreciative for the opportunity of the briefing, and that as soon as his current obligation is taken care of, he would like to avail himself of it. He will contact Mr. Wisner when he can set a date.
